Dearest Friends & Neighbors,

These are difficult and scary times and in order to safeguard everyone's safety we have made the decision to move to a Take-out & Delivery model only at this time. It is the only way we can continue to serve our community food and provide as much as possible for our work family. We hope you will support us. We have been and continue to be very serious about hygienic methods of preparation and delivery. We will be offering Contact free Curbside delivery in our pop up tent, and delivery via Grubhub, UberEats, & Door Dash. We are considering other methods of delivery for close neighborhood, and will keep you posted as this develops. The more you support us by your business, the more we can start to put more of our family back to work providing delicious food to sustain and comfort you during these times. Thank you and take care!
